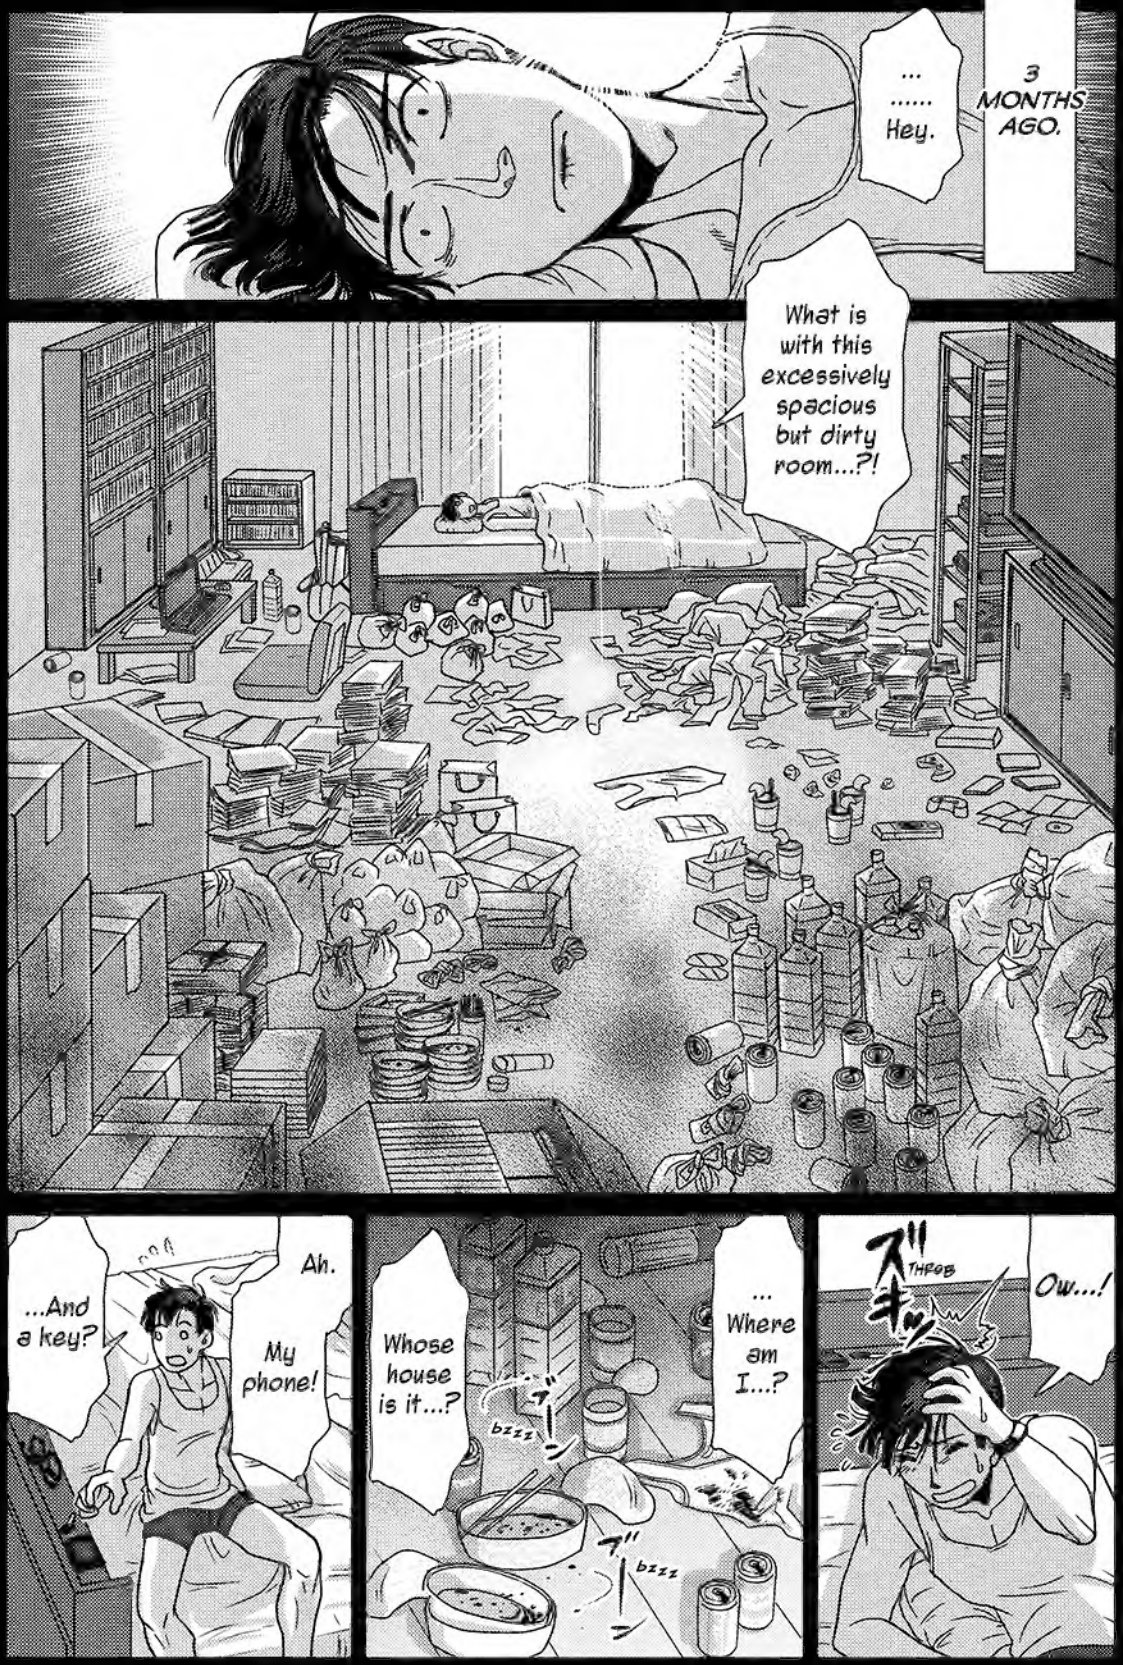
グイ pull
Be-cause.
Y'know that day I first stuck it in ya,
H-how about you, Nobu-san...
Y-y-y-You just said it, right?
It was our first time!
UH ..... YEAH ...?
shake
shake
ゆさ
It was supposed to be our precious *first time.*
Don't tell me you intended for us to do it in *THAT* room?
I was shocked. Seriously.
Huh?
Is... is that so?
I've gotten used to it. And so have you.
TOTAL POST-COITAL CLARITY



3 MONTHS AGO.
... . Hey.
What is with this excessively spacious but dirty room...?!
...And a key?
Ah.
My phone!
Whose house is it...?
bzzz
bzzz
... Where am I...?
THROB
Ow...!

There was an open seat so I was taken along.
Did I get too drunk from the many drinks that were offered...?
Drink! Drink!
Oh, thanks.
First off, a good job to everyone! CHEERS!
I was invited to the drinking party for the completion of the α-ROM yesterday...
Ahh... Now that I think of it...
Message... from Nobu-san.
TO ANAN: I TOOK YOU HOME WITH ME SINCE YOU WERE DEAD DRUNK YESTERDAY.
I LEFT MY SPARE KEYS, SO PLEASE DROP BY THE OFFICE ONCE YOU WAKE UP TO RETURN IT.
I'm sorry, Nobu-san...
I got totally smashed.
Yeah...
sigh
It's filthy and nasty...
So that means this is Nobu-san's house...
...It really is his house.
His bookcase has a mountain of games, DVDs and strategy guides.
And reference materials he printed out?
And it looks like he even has all the gaming console models.
Man, playing on this TV must be pretty awesome.

...
...
bzzz
Let's do this before he gets back!
huff
..... All right. Payback time for letting me stay the night!

LATER THAT NIGHT...

...What in the hell...

I should go buy another bento.

Feels like it's been a while since I've seen the floor...

Ya said ya took the day off, but ya spent the whole day cleaning?
...Ya sure have a lotta free time.
Well, I was stupefied by how dirty it was!

I thought you'd go home as soon as you woke up.
Sorry.
whew
That's what I thought, too, but,
I kinda got too into it...

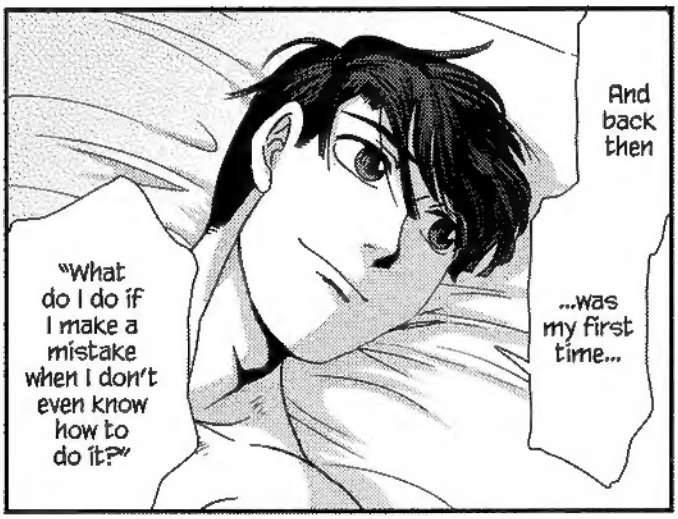
I AM 100% ON BOARD !!!
A shy Nobu-san is ultra-rare
Which is it?
Oh... Okay! No— I mean Yes!

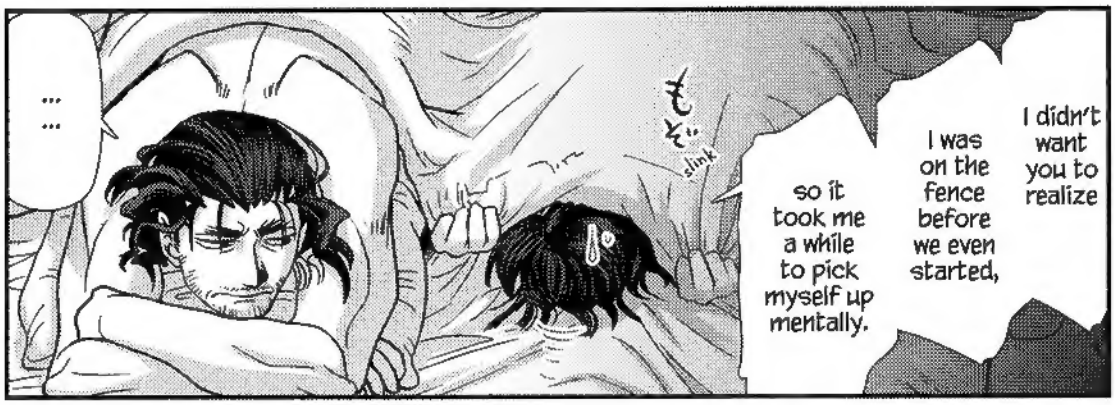
...I figured it was high time we gave it a go...
...But I guess time wasn't on our side...



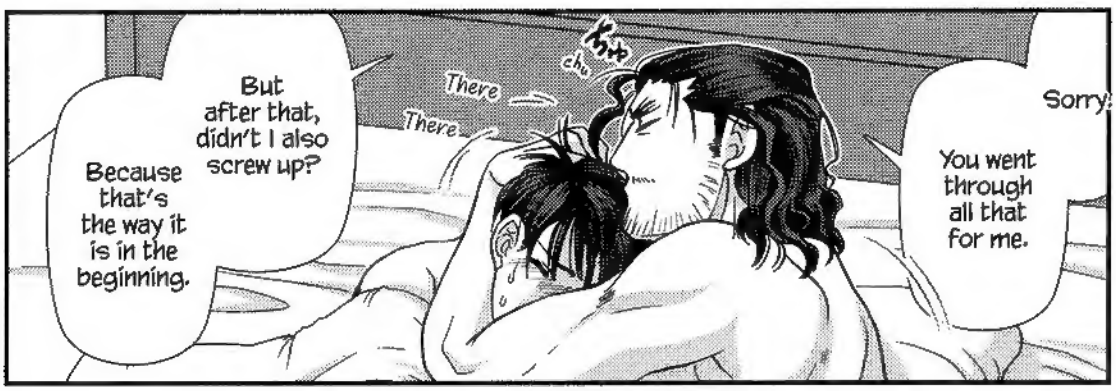
And back then
...was my first time...
"What do I do if I make a mistake when I don't even know how to do it?"

I thought we were gonna go right straight to it,
...but I never thought you'd spend a whole hour in the bath afterward.
sigh
B-b-b- but I had a lot to prepare and stuff!

Stuff like that ran in my head.
A lot of them. I got nervous even though I should've been happy.



I didn't want you to realize
I was on the fence before we even started,
so it took me a while to pick myself up mentally.
slink
...
...



Sorry.
You went through all that for me.
chu
There
There
But after that, didn't I also screw up?
Because that's the way it is in the beginning.

...!
gasp

Hn...
Mmm...
sigh
Yes.
I psyched myself up to get used to the idea with that in mind...

I wonder how much it's going to hurt...

<SFX: Guwashi! From *Makoto-chan*. Implies Nobu Jr. is posing or, For a probably obscure reference, the condom tip is throwing the middle finger.>

It's all good. We gained experience points since then, more or less...

I never imagined you'd get checkmated for not knowing where it was...

It's more fun to play matches or online games when the characters are on the same level!
Oh.
That's right! We were both beginners.

It's like there's something alive inside of me
that had a will of its own slithering around...

Sun-day.

I'm also on my day off so we can just relax tomorrow.
Can I stay over again today?
